ANNUAL REPORT

OF THE

SCHOOL BOARD

OF

Swanzey School District

FOR

FISCAL YEAR

JULY 1, 1944 — JUNE 30, 1945

In Memoriam

In memory of

CHARLES W. WALKER

Superintendent of Schools

The School Board hereby renders homage and respect to Mr. Walker, whose untimely death marred the past year. He was a kindly, sincere, well educated gentleman, and tended conscientiously and faithfully to the tasks of his office. Although he has served this Union only a comparatively short time he was liked by all who worked with him, teachers and school officers, alike.

The Swanzey School Board joins the three other Districts in the Union in homage to his memory and acknowledgment of his sterling worth to the entire Union.

REPORT ON CUTLER SCHOOL

To the Superintendent of Schools:

In answer to your request, I wish to submit the following information in regard to Cutler School.

On February 23, 1945, Cutler School was badly damaged by fire. Nearly everything in the two upper rooms was destroyed by smoke or fire. The two lower rooms suffered from smoke and water damage, but were not beyond repair. It was, perhaps, fortunate that the fire occurred while the children were away on vacation.

The Keene Board of Education granted the use of their local school property for temporary housing of the four upper grades. Grades five and six were housed at Central Junior High School and grades seven and eight were placed in Keene High School. These grades resumed their work in their new quarters five days after the fire.

Temporary repairs were made on the burned building, enabling the four lower grades to use their old rooms. Two weeks after the fire, these grades were back at work.

The Swanzey School District voted money for reconstruction of the building at the regular March meeting. This work on the building was started the latter part of May, as soon as war priorities could be established. Shortages of labor and materials caused many delays.

The 1945 fall term of school was delayed about four weeks pending the completion of the construction. On September 27, the upper grades returned to Keene for a few weeks. The same rooms were used until Nov. 5, 1945.

Grades one through four opened at Cutler School on October 2, 1945.

The two upper rooms returned to Cutler School November 5. "Open House" was held on November 16. Invitations were extended to citizens in order that all might see their new school building. Over three hundred persons attended.

Cutler School is again working under normal conditions, striving to regain the losses in both time and materials caused by the fire.

Respectfully submitted,
MARIE A. CAPRON,
Principal.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Swanzey School District:

I herewith submit my first annual report as superintendent of schools.

FINANCES

During the school year it became apparent that the school district had not appropriated enough money to meet its obligations. The school board and other citizens of the town agreed to underwrite the probable deficit by a "Guarantee Fund." In order to repay this debt and to meet the remainder of the obligation indicated in the Analysis of the Financial Condition of the Swanzey School District, a special item has been entered in the warrant for a deficiency appropriation of $5,000.00. It is anticipated that this will be sufficient to pay the present deficit of $4,930.59, part of which has already been paid by the money provided by the "Guarantee Fund."

The two statements printed below summarize the total expenditures on the Cutler School addition and the East Swanzey project. The analysis of the financial condition of the Swanzey School District which follows these two statements lists the expenditures which necessitate the $5,000 deficiency appropriation.

BUDGET, 1946-47

An analysis of the Budget for 1946-1947 will reveal numerous increases. The amount appropriated for teachers' salaries has been increased $3,000.00. This increase is based upon the current trend towards increasing teachers' salaries. The attention of the whole nation has been focused upon the low salary status of teachers. The article in the October issue of READER'S DIGEST entitled, "Teacher's Pay—A National Disgrace," is one of the many public expressions of concern in regard to this matter. In many instances, the salary increases in the war years have been barely sufficient to meet the withholding tax deductions now paid by teachers. This means that the "take home" pay of many of our teachers is little more than it was prior to the war. It is interesting to note that for the year January 1, 1945, to January 1, 1946, the Swanzey School District paid $2,395.16 to the federal government for taxes withheld from teachers' salaries. This is, of course, a teacher obligation but it gives some idea of the increased burden on teachers, most of whom never paid an income tax prior to 1942. The proposed $3,000.00 increase includes $1,000.00 for a music teacher. Plans are now being made for the employment of a music supervisor in the Swanzey, Winchester and Richmond districts.

The budget for next year also includes an item of $486.00 for the teachers' retirement fund. The district is now assessed 4% of the salaries of all teachers who are members of the State Teachers' Retirement Association. This is according to the provision of the state retirement law passed by the last legislature.

The amount of money appropriated for high school tuition has been increased $1,000.00. This increase has been made in anticipation of an increased number of high school students as well as a possible increase in tuition rate.

Increases in janitor service, transportation and other items account for approximately $800. There is a $5,000 payment on principal of debt due this year. Interest due on debt this year is $250.

ADDITIONAL NEEDS AT CUTLER SCHOOL

Many of the items originally specified in the new Cutler

School addition had to be eliminated because the bids submitted were in excess of the money available. The district should appropriate money within a short period of time to install a cement floor in the Cutler School addition. A small room adjacent to the main part of the basement would serve as an excellent place for lunchroom equipment. The larger room could be used for serving lunches, dramatics, special classes in music or community activities. The doors in cloak rooms were eliminated from the original plans. These should be added as soon as possible. The ventilating system was also another item omitted from the original plans. This should be remedied as soon as the district is relieved of its present financial burden.

BUILDINGS AND EQUIPMENT

Nearly all of the Swanzey school buildings need additional storage space for teachers' supplies, scholars' supplies, and janitors' supplies. Because of the unusually high burden on the district during the coming year, no item has been put in the school budget for this purpose. The district should plan next year to construct numerous closets, cupboards and book shelves for the storage of these supplies.

CLASSROOM NEEDS

Most of the school rooms need additional library or reference books. The Cutler School is particularly barren of extra reading materials. Some of the lost books will be replaced during the coming year. As soon as the present financial burden of the town is reduced, the district should budget at least $400 or $500 a year specifically for the purchase of supplementary reading materials. Nearly all of the school rooms need new wall maps.

PERSONNEL

Mrs. Ruby K. Ramsay was transferred from grades 1-4 at Wilcox School to grades 3 and 4 at the Cutler School. Miss Martha Rand was transferred from grades 3 and 4 to grades 1 and 2, replacing Mrs. Daisy Thompson. Mrs. Florence C. Thompson was elected teacher in grades 1-4 at the Wilcox School to replace Mrs. Ramsay. Mrs. Florence Stone who was formerly teacher at North Richmond School was elected teacher

in grades 5-8 at the East Swanzey School replacing Miss Ida Hall. Mrs. Ruth L. Moultrop was elected teacher in grades 1-4 at East Swanzey School to replace Miss Margaret Britton who resigned.

TESTING PROGRAM

The Pintner General Ability tests have been administered to every child in the Swanzey schools in grades 1 to 8. The intelligence quotients for every child have been entered in the pupil records. In addition to these tests, achievement tests will be administered during the month of March to all eighth grade students. Special tests are to be administered to children who are low in ability or whose promotion is doubtful.
